A Thank You from our Director

During the very troubled and stressful times the people, our country and the world are facing through the current Covid-19 pandemic, I would like to take a moment to praise the exceptional temporary staff working for us.

Be it providing key worker support to our client Convatec, producing essential medical products to our tireless drivers at Liverpool Freeport, completing extraordinarily long shifts to ensure work is completed, I would like to say a massive thank you and very well done for your efforts to every one of you.

We are thankful for your dedication, not only currently, but each day you all provide our clients with committed workers, you are a credit to us. So, on behalf of Ann, Office Manager, the team and I wish for you all to keep safe and well.
